PRESIDENT'S REPORT

It is again with great pleasure that I welcome members to the forty-seventh Annual General Meeting of The Australian Davis Cup Tennis Foundation and in doing so present to you for consideration and adoption the Annual Report of the Foundation incorporating the audited financial statements for the year ending 30 June 2018.

It has been a challenging year including activity associated with the Australian Davis Cup team and World Group matches in Belgium and Brisbane.

Following on from our 3/2 win against USA in the World Group Quarter Final in Brisbane in April 2017 our team travelled to Belgium in September 2017 to contest the World Group Semi Final at the Palais 12 Brussels.

The Belgians trailed 1/2 going into the final day after Nick Kyrgios defeated Steve Darcis in five sets to cancel out David Goffin's opening rubber win against debutant John Millman, before John Peers and Jordan Thompson combined to win the doubles in straight sets. Goffin started the comeback on Sunday with a four set win over Kyrgios, before Darcis completed a straight sets victory over Thompson in the deciding rubber. So our hope of winning the Davis Cup in 2017 was over.

For the World Group 1st round for 2018 we were drawn against Germany in Brisbane in February. In the opening rubber Alexander Zverev defeated our Davis Cup debutant Alex De Minaur in five sets. A three set singles win by Nick Kyrgios and a five set loss in the doubles gave Germany a 2/1 lead going into the final day before Zverev won the fourth match in straight sets against Kyrgios to give Germany a 3/1 victory.

For each of these ties a number of members took advantage of travel, ticketing, accommodation and merchandising arranged through the Foundation in conjunction with Bentleigh Travel Centre. We are pleased to have the support of a dedicated group of members' who enjoy the security of our travel arrangements and contribute to the on-court atmosphere and colour both at home and our overseas matches.

On Friday 26th January 2018 the Foundation conducted the annual Members' AO Luncheon in the Members' Dining Room at the Melbourne Cricket Club in East Melbourne where we continued the theme of celebrating significant Davis Cup victories. Around 290 members and guests celebrated the anniversary of both the 1966 and 1967 victories when we defeated India and Spain respectively. Fred Stolle as a team member and special guest was relieved from the duties as the Master of Ceremonies by Leon Wiegard, assisted by Rob Hinton. Fred joined the other team members Roy Emerson, John Newcombe Tony Roche and Bill Bowrey to entertain the guests with their stories of these ties. A further highlight was the interviews conducted with some of the more recent past Davis Cup players including Darren Cahill, Wally Masur, John Fitzgerald, Pat Cash and Mark Woodforde. Members and guests each received

a commemorative booklet of newspaper reports and reflection on the two Davis Cup matches, researched and printed by the Herald Sun staff.

We were grateful for the continued support of Tennis Australia who again arranged the attendance at the Luncheon of a number of international tennis dignitaries. Guests included the President ITF David Haggerty, the Chairman All England Lawn Tennis and Croquet Club Philip Brook and wife Jill, Chair Tennis Australia Jayne Hrdlicka, President USTA Katrina Adams, President LTA Martin Corrie, CEO Tennis Australia Craig Tiley and former President of Tennis Australia and the ITF Brian Tobin. We were delighted with the attendance of a significant number of other former Davis Cup players including Rod Laver, Frank Sedgman, Mal Anderson, Ken Rosewall, Ashley Cooper, Jason Stoltenberg and Richard Fromberg,

Despite numbers being restricted by the Australia Day Public Holiday and the impost of associated penalty rates the Luncheon was considered a success and contributed around \$6000 to our fund raising efforts for the year. Another initiative which concluded in the period under review was the Fund Raising Raffle arranged by Anna White with the support of Ian Jane of Bentleigh Travel Centre who donated the 1st prize travel and accommodation package. It is hoped that this raffle will develop into an annual fund raising event culminating in the draw at a Wimbledon function in July, for members and guests, which we held at the Kooyong Tennis Club.

The Board continued to work within the scope of the 'Memorandum of Understanding' with Tennis Australia which commenced on 1 January 2016 and concludes on 31 December 2019. This document reflects the spirit of the relationship which exists between the Foundation and Tennis Australia. Access to priority tennis ticketing for the Australian Open, the Davis Cup and the Australian Open Series events in Brisbane and Sydney, together with the Hopman Cup in Perth continues to be an important benefit to our members.

With only a small dedicated administration supporting our objectives, the Board is grateful of the important role played by Judy Pullyblank in the management of the affairs of the Foundation. Supported by Robert Parker they contribute to the efficient service given to members. As an experienced tennis administrator Robert's consultancy role is supported by the Honorary Treasurer Robert Jamieson and together our team brings an un-paralleled wealth of experience to the Foundation in finance, marketing, corporate compliance, fund raising events and IT, and jointly introduced improved communications to our membership through our web site, eNews and the regular Newsletter, resulting in considerable cost benefits to the Foundation.

The Foundation recorded a profit of \$ 8,761 for the financial year, after another distribution of \$60,000 to Tennis Australia, bringing our contribution in excess of \$2m. Additionally, during the year the Foundation appreciated receiving a major contribution from John and Pauline Gandel.

Throughout the year we continued to support our Principal Activity and Objectives as set down in this Annual Report. The Board objectives support our

mission statement reflecting our stated purpose - “To celebrate the past, support the present and promote the future of Australian Davis Cup tennis”.

Throughout its 47 years of existence the Foundation has relied on the support of volunteers to administer the Company. I acknowledge the continuing support of all Directors and I thank them for their on-going contribution to the Board and look forward to their continuing support of the various endeavours we undertake, including the on-going discussions on the implementation of our business plan complementary to the objectives of the Foundation and our relationship with Tennis Australia including the renewal of the “Memorandum of Understanding”. I also acknowledge the significant contribution to the Board of John Fitzgerald who retired at the previous Annual Meeting after seventeen years as a Board member.

As we move forward into the new financial year there are some important issues foreshadowed by the ITF involving the Davis Cup format which we need to consider, coupled with a continuing on-going period of consolidation of funds and the implementation of initiatives the Board considers necessary to strengthen the core base and provide additional member benefits and enjoyment.

SYDNEY INTERNATIONAL 2018

Malcolm Bergmann, our Membership Officer in New South Wales, on the eve of his retirement from the role, reported continued significant members' interest in the Sydney International event played during early January, with an ever increasing number of applicants for the complimentary tickets which Tennis Australia has once again made available for the benefit of our Members who reside in New South Wales and the ACT.

BRISBANE INTERNATIONAL 2018

Once again, members living in Queensland were provided with the opportunity of the "Priority Access" booking facility offered by Tennis Australia, by ordering their tickets for the Brisbane International on-line through Ticketek, in a period before they were officially on sale to the general public.

APPRECIATION

For over twenty years our President, Neale Fraser has worked tirelessly to provide inspirational leadership to the Foundation and it is important that we place on record our sincere admiration of his dedication to tennis, particularly Davis Cup tennis and the importance of his role as Chairman of our Foundation. The attendance of international tennis dignitaries and former players at our AO Luncheon is an indication of the high esteem the tennis fraternity places in Neale as a player, coach and administrator. Through his ambassadorial role within Tennis Australia and his annual visit to Wimbledon Neale is conversant with all tennis matters, which is extremely beneficial for the operation of the Foundation.

We acknowledge the valuable contribution of Malcolm and Glenice Bergmann, our long time Sydney representatives, who retired from this role following the Sydney International 2018. For many years they have carried out the important and significant role to allocate and distribute approximately 600 complimentary tickets for access to the first or second days' play in the Sydney International.

We also appreciate the support of Ian Jane, with his continuing interest in the welfare and enjoyment of all who participate as a member of his much sought after touring party, that are specially tailored for members attending the Davis Cup ties, both nationally and internationally.

In addition to the support of our membership, the success of the AO Luncheon in January relies significantly on the support of our contributors and donors. We acknowledge the generous support of Ian Johnson, Ian Jane, Anna White, Donna Low, The Herald Sun (Peter Blunden, Leo Schlink and Fiona Welsh), Lleyton Hewitt, Gray Nicholls Sports, Neale Fraser, Tennis Australia, Frank Sedgman, Robert Hinton, Leon Wiegard and Kim Luff.

FORMAT FOR DAVIS CUP (up to 2018)

With 118 years of tradition behind it, the Davis Cup by BNP Paribas is the premier team competition in tennis. The symbol of this prestigious competition is the beautiful silver Davis Cup trophy, donated by Harvard student Dwight Filley Davis in 1900. It now consists of four pieces; the silver Trophy and three wooden bases (total weight over 200kg).

In the early years, only two nations competed for temporary ownership of the Davis Cup trophy, the United States and the British Isles. Before the first World War, France, Belgium Austria, Australasia, Germany and Canada had joined the USA and Britain in competing for the Davis Cup.

The Davis Cup is a recognised institution in tennis. It will be as influential in the 21st century game as it was instrumental in the growth of tennis from 1900 until the present day. The simplicity of its Nation vs. Nation format has provided a framework for one of the most successful competitions in sporting history.

From its inception, Davis Cup has attracted all of the top Australian players. Rafter, Hewitt, Philippoussis, the Woodies, Stoltenberg and Arthurs are all modern day members of a century old club whose legends include Sir Norman Brookes, Gerald Patterson, Jack Crawford, Frank Sedgman, Lew Hoad, Ashley Cooper, Neale Fraser, Rod Laver, Roy Emerson, John Newcombe, Pat Cash and Lleyton Hewitt, all winners of the greatest Grand Slam Event of them all – Wimbledon.

Each tie consists of five matches, four singles and one doubles, played over three days. On the opening day, the number two singles player for each nation plays the number one player for the opposing nation. On day two, the crucial doubles match is played. On the final day, the number one players face each other in the opening match while the number two players meet in the fifth match. All are played over best-of-five-sets with no tie break in the fifth set.

The pinnacle of the Davis Cup competition is the World Group. Sixteen nations are drawn against each other in a knock-out format leading up to the Davis Cup by BNP Paribas Final. Nations that have gone on to win the Davis Cup title include the United States, Australia, Great Britain, France, Sweden, Germany, Czech Republic, Italy, South Africa, Russia, Spain and Croatia. Each year's World Group competition is made up of four rounds, scheduled throughout the year, culminating in the Davis Cup Final played in late November/early December.

Below the World Group, there are three regional zones, the Euro/African, Americas and Asia/Oceania Zones, in which Group I, II, III, and IV ties are played. The goal is to move up group by group until the World Group and possibly the title is achieved.

The eight winners of Zonal Group I competition are drawn with the eight World Group first round losers in September's World Group Qualifying Round. Stakes are high as the winners will go on to compete in the World Group in the subsequent year. In the 2017 Davis Cup competition, 125 nations participated from Zonal Group IV through to the elite World Group.

Prize money was introduced to the Davis Cup competition for the first time in 1981, when the NEC Corporation joined the competition as its Title Sponsor. In 2002, BNP Paribas took over the Title Sponsorship. BNP Paribas is joined by international Ancillary Sponsors – Rolex, Adecco, Head and beIN Sports– in supporting the Davis Cup competition on a worldwide basis.

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30th JUNE, 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

(a) REVENUE AND EXPENDITURE

Subscription income is brought to account on a cash basis. Revenue from grants and interest receivable is recognised on an accrual basis. Expenditure is brought to account on an accrual basis.

(b) INCOME TAX

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(c) CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of twelve months or less and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(d) GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(e) ACCOUNTS PAYABLE AND OTHER PAYABLES

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability.

(f) FINANCIAL ASSETS

On initial recognition financial assets are recognised at cost.

All financial assets are classified as financial assets at fair value through profit and loss and are held for trading and short term profit taking. Such assets are subsequently measured at fair value with changes in the carrying amount being included in the profit and loss.

(g) EMPLOYEE BENEFITS

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

NOTE 2: RELATED PARTY TRANSACTIONS

No transactions between related parties were conducted save for services provided by directors at no fee.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF THE AUSTRALIAN DAVIS CUP TENNIS FOUNDATION

Report on the Financial Report

Opinion

We have audited the financial report of the Australian Davis Cup Tennis Foundation, which comprises the statement of financial position as at 30 June 2013, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the company is in accordance with the Corporations Act 2001, including:

- giving a true and fair view of Australian Davis Cup Tennis Foundation's financial position as at 30 June 2013 and its financial performance for the year ended on that date, and
- complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion.
