# PRESIDENT'S REPORT

Dear Members,

It is with great pleasure that I welcome members to the 53rd Annual General Meeting of The Australian Davis Cup Tennis Foundation and in doing so present to you for consideration and adoption the Annual Report of the Foundation incorporating the audited financial statements as at 30th June 2024.

Our Davis Cup team had another great year, making it to the Final for a second year in a row. As a result of being runner up to Canada in 2022, Australia automatically qualified for the 16 team Final Series commencing in September 2023. Australia was grouped with Great Britain, France and Switzerland to play at the AO Arena in Manchester. Under the guidance of captain Lleyton Hewitt, the team of Alex De Minaur, Jordan Thompson, Thanasi Kokkinakis, Matthew Ebden and Max Purcell did a fantastic job to get the result we needed with wins over France and Switzerland but going down to Great Britain. Both Great Britain and Australia qualified for the knock out Final 8 stage during November in Malaga ,Spain. The Australian team nominated for this Final Series was similar to the one in September although Alexei Popyrin replaced an injured Thanasi Kokkinakis. Australia had a win over Czechia in the Quarter Final, defeated Finland in the Semi Final but unfortunately was defeated by Italy in the Final. Alex De Minaur was pivotal in the teams strong performances, winning four of the six times he played and every time a match came down to the deciding doubles Matthew Ebden and Max Purcell were undefeated. A fantastic effort from our team.

It was pleasing to note that a number of Members took the opportunity to travel to both Manchester and Malaga to support our Davis Cup team. We are very grateful to Ian Jane who organises these Tours on behalf of the Foundation.

The 2023-24 Australian tennis season kicked off on the 29th December 2023 with the second edition of the United Cup. This 18 team mixed competition, was played in Perth and Sydney. Each city hosted three groups of three countries, competing in a round robin format. Ties consisted of one Men's and one Women's singles matches and one mixed doubles match. The four best performed teams in each City played in Quarter Finals with the two winners in each City advancing to a knock out event in Sydney. In the Round Robin competition Australia

was grouped with Great Britain and the United States, winning through to the Quarter Final against Serbia. A strong win in this Quarter Final, including a 6/1, 6/2 victory for Alex De Minaur over Novak Djokovic advanced Australia to the Semi Finals in Sydney. Unfortunately we went down to Germany in the Semi Final who went on to defeat Poland in the Final. The Australian team of Alex De Minaur, Ajia Tomljanovic, Matthew Ebden, Storm Hunter, Ellen Perez and John Millman performed admirably under the watchful eye of joint captains Lleyton Hewitt and Samantha Stosur.

The other International events over the summer included tournaments in Brisbane, Canberra, Adelaide and Hobart and another very successful Australian Open. Congratulations to Jannik Sinner winning his first Grand Slam event defeating Daniil Medvedev in a thrilling 5 set encounter and Aryna Sabalenka going back to back in the Women's Final. Some strong performances from our Australian players including Matthew Ebden who teamed with Rohan Bopanna to win the Mens Doubles, Alex De Minaur getting to the 4th Round in the Mens singles and Storm Hunter who played in the Semi Final of the Women's Doubles. We are very pleased to note that under our Agreement with Tennis Australia, Foundation members were able to access tickets to all of the events prior to public sales as well as access complimentary ground passes to the Open and tickets to the United Cup.

In July 2023, during the Wimbledon Championships, we joined with the International Tennis Club of Australia to host a High Tea at Kooyong Tennis Club. We were fortunate to hear from John Fitzgerald who spoke to our guests about his career and his fond memories of competing at the All England Club.

At our last Annual General Meeting in November we were joined by Paul Kilderry, Director of Professional Tennis at Tennis Australia who spoke about the various programmes and junior players that Tennis Australia are supporting. We also heard from Matthew Ebden (via video) about his 2023 achievements on the doubles court. Matthew had a tremendous year, both in major tournaments with Rohan Bopanna and Davis Cup matches with Max Purcell.

In January 2024 we held our Australian Open lunch at Kooyong and honoured the victorious 2003 Davis Cup team. With over 200 guests in the room, including 13 former Davis Cup players, the team of Lleyton Hewitt, Mark Philippoussis, Wayne Arthurs, myself and captain John

Fitzgerald were able to entertain everybody with some fantastic memories of the 2003 competition.

Despite a drop in our membership numbers, we managed to contribute a further \$65,000 to Tennis Australia to support their Player Development program. While it is acknowledged that this amounts to only a small fraction of their Player Development budget it does allow additional weeks that our up and coming juniors can compete Overseas in International tournaments.

Finally, I would like to acknowledge and share my appreciation to the Board of Directors for their significant contributions and guidance this past year. I am extremely grateful to Judy Pullyblank our Office Administrator, Robert Jamieson the Honorary Treasurer, Mary Klestadt for production of our eNews, web maintenance and communications and Trevor Dohnt for liaising with the office, organising events and preparing the Agendas and Minutes. The time and effort given is appreciated, not just by me but all members of the Foundation. We are also grateful to the team at Kooyong Tennis Club who play host to our Board meetings and various functions.

Thank you.

# VALE - BRIAN TOBIN 1930 - 2024

**Brian Tobin, long-serving former president of Tennis Australia and the ITF and a member of the International Tennis Hall of Fame, passed away on April 22 at the age of 93. Brian was a long-standing member of the Australian Davis Cup Tennis Foundation and served as Director for 11 years.**

Born in Perth in 1930, Tobin moved to Melbourne as a teenager and went on to establish himself as one of his country's Top 10 players in the 1950s and 60s -- competing at the Australian Championships and Roland Garros while launching a parallel career in banking and finance.

Keen to make a difference off court in the sport he loved, Tobin became a council member of the Lawn Tennis Association of Australia (now Tennis Australia) in 1964 and was duly named captain of the nation's formidable Federation Cup squad, working with Margaret Court, Lesley Bowrey and Judy Dalton.

“Brian Tobin contributed so much to Australian tennis, changing the face of the Australian Open -- many of his decisions helped make it the successful tournament it is today,” said Judy Dalton, a nine-time Grand Slam doubles champion and member of the Original 9.

“His Presidency of Tennis Australia and also of the International Tennis Federation was outstanding. He was always so interested in helping the women tennis players, he was widely respected and had a great sense of humour. He will be sadly missed.”

The recipient of an array of industry honours, Tobin was inducted into the International Tennis Hall of Fame in 2003, in recognition of his impactful leadership in tennis administration. “Brian Tobin first and foremost was a gentleman,” said Peachy Kellmeyer, a senior WTA executive for nearly five decades and a fellow Hall of Famer. “He advanced opportunities for women in tennis at a crucial time for the WTA and was accessible to all while internationalizing our sport. He was a giver, a true contributor to the greater good and he leaves a tremendous legacy.”

## The 2024 United Cup

This 18 team mixed competition was played in Perth and Sydney. Each city hosted three groups of three countries, competing in a round robin format. Ties consisted of one Men's and one Women's singles matches and one mixed doubles match. The four best performed teams in each city played in the Quarter Finals with the two winners in each city advancing to a knock-out event in Sydney.

In the round robin competition Australia was grouped with Great Britain and the United States, winning through to the Quarter-Final against Serbia. A strong win in this Quarter-Final, including a 6/1 6/2 victory for Alex De Minaur over Novak Djokovic advanced Australia to the Semi-Finals in Sydney. Unfortunately we went down to Germany who defeated Poland in the Final.

## **PRINCIPAL ACTIVITY**

The principal activity of the company in the course of the financial year was that of promotion, development, encouragement and assistance to Australian tennis players.

The company's short-term objective is to:

- Continue to promote the development of tennis within Australia by funding the development of young Australian tennis players showing Davis Cup potential, by direct player or official team assistance or providing financial support for selected Player Development Programs conducted by Tennis Australia.

The company's long-term objective is to:

- Be a sustainable entity, striving for improvement, with the necessary financial structure to continue support of young Australian tennis players.

To achieve these objectives, the company has adopted the following strategies:

- A policy to maintain, promote and develop initiatives to retain a vibrant membership base.
- Providing the membership with the opportunity to support Davis Cup tennis through fellowship, priority access to event ticketing arrangements and merchandising initiatives.
- By reviewing and enhancing member benefits and improving communications to ensure that the long term membership and financial objectives are sustainable.
- To encourage members to have some proprietorship in the company as committed supporters of Davis Cup tennis in Australia.

## RESULTS

The net loss of the company for the financial year was \$9427 (2023 loss \$9287). No provision for income tax was necessary.

# NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30th JUNE, 2024

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Basis of preparation**

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected noncurrent assets, financial assets and financial liabilities.

### **(a) REVENUE AND EXPENDITURE**

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as discussed below.

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

Revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised when it becomes receivable on a proportional basis taking into account the interest rates applicable to the financial assets.

Other income is recognised on an accruals basis when performance obligations are satisfied.

All revenue is stated net of the amount of goods and services tax (GST).

### **(b) INCOME TAX**

No provision for income tax has been raised as the entity is self-assessed as eligible for Income Tax Exemption (ITE) as set out in the ATO Income Tax Guide for non-profit organisations.

### **(c) CASH AND CASH EQUIVALENTS**

Cash and cash equivalents include cash on hand, deposits held at call with banks and other short-term highly liquid investments with original maturities of twelve months or less.

#### **(d) GOODS AND SERVICES TAX (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

#### **(e) ACCOUNTS PAYABLE AND OTHER PAYABLES**

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability.

#### **(f) FINANCIAL ASSETS**

All recognised financial assets are measured in their entirety at fair value.

##### *Classification*

On initial recognition, the Company classifies its financial assets into the following category, those measured at:

- fair value through profit or loss – FVTPL

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

##### *Financial assets through profit or loss*

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

Net gains or losses, including any interest or dividend income are recognised in profit or loss.

The Company's financial assets measured at FVTPL comprise listed investments over which they do not have significant influence nor control.

#### **(g) EMPLOYEE BENEFITS**

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Contributions are made by the Company to an employee superannuation fund and are charged as expenses when incurred.

#### **(h) ADOPTION OF NEW AND REVISED ACCOUNTING STANDARDS**

During the current year, the Company adopted all of the new and revised Australian Accounting Standards and Interpretations applicable to its operations which became mandatory. The adoption of these Standards has not had a significant impact on the recognition, measurement and disclosure of transactions.

#### **(i) NEW ACCOUNTING STANDARDS FOR APPLICATION IN FUTURE PERIODS**

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The company has decided against early adoption of these Standards but does not expect the adoption of these standards to have any significant impact on the reported position or performance of the Company.

#### **NOTE 2: RELATED PARTY TRANSACTIONS**

No transactions between related parties were conducted save for services provided by directors at no fee.

#### **NOTE 3 EVENTS OCCURRING AFTER THE REPORTING DATE**

The financial report was authorised for issue on 19 August 2024 by the Directors.

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in future financial years.

#### **NOTE 4 CONTINGENCIES**

In the opinion of the Directors, the Company did not have any contingencies at 30 June 2024 (30 June 2023: None).

## INDEPENDENT AUDIT REPORT TO THE MEMBERS OF THE AUSTRALIAN DAVIS CUP TENNIS FOUNDATION

### Report on the Financial Report

#### *Opinion*

We have audited the financial report of the Australian Davis Cup Tennis Foundation, which comprises the statement of financial position as at 30 June 2024, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the company is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of Australian Davis Cup Tennis Foundation's financial position as at 30 June 2024 and its financial performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

#### *Basis for Opinion*

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### *Responsibilities of Directors for the Financial Report*

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the

directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### *Auditor's Responsibilities for the Audit of the Financial Report*

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation. We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

the 1990s, the number of people who have been employed in the public sector has increased in all countries. The increase has been particularly large in the United States, where the public sector has grown from 15.5% of the total workforce in 1970 to 22.5% in 1995 (see Figure 1).

There are a number of reasons for the increase in public sector employment. One reason is that the public sector has become a more attractive place to work. This is due to a number of factors, including the fact that public sector jobs are often more secure and offer better benefits than private sector jobs. Another reason is that the public sector has become a more important part of the economy, particularly in the areas of health care and education.

The increase in public sector employment has had a number of effects on the economy. One effect is that it has helped to reduce unemployment. Another effect is that it has helped to increase government revenue. However, the increase in public sector employment has also had some negative effects, such as the fact that it has led to a larger government budget deficit.

There are a number of ways in which the public sector can be made more efficient. One way is to reduce the number of public sector employees. Another way is to improve the quality of public sector services. These changes are necessary in order to ensure that the public sector is able to provide the services that citizens need in a cost-effective manner.
